Welcome to E-Zotin System

Registration System

The Construction Development Board (CDB) has developed a Contractors Registration System based upon a classification of Contractors and Categorization of Works.

The registration of Contractors, re-registration, up-gradation, and any matters related to Contractors registration shall be carried out strictly in accordance with the specified principles and procedures.

CDB Registration requirement henceforth shall apply to JVs (amongst National Contractors/Consultants or with Foreign Contractors/Consultants) and also to independent Foreign Construction or Consultancy Firms if they wish to participate in contract/consultancy works in Bhutan.

All Ministries/Departments/Agencies (government corporate agencies) concerned in the public sector shall use these Registered Contractors/Consultants according to their classifications and categories in the execution of infrastructure projects. The private sectors & the NGOs are also encouraged to use the same.
